

*AURORA ENVIRONMENTAL EQUIPMENT  
CONSULTANTS L.L.C.*

**Union and Unrestricted Installation Site Clause**

**Any labor or installation quotation assumes unrestricted access to site during normal business hours, and that no limitations of union involvement, prevailing wage, or similar clauses will be in effect unless specified prior to acceptance of work and fully detailed, priced, and accounted for same. It also assumes that site is compatible with installation of the type of equipment quoted/purchased. If any of these limitations apply, then charges will have to be adjusted based on the additional costs incurred.**

**Thank you for your continued business,**
